

To avoid penalties, you must send HMRC your Tax Return form on time otherwise surcharges will be added if the deadline is missed.

HMRC usually issues a tax return form for those taxpayers who have the following:

- Individuals and sole traders;
- Partnerships;
- Limited Companies.

The self-assessment regime is full of penalties and HMRC enquiry powers are extensive. It's important that...

- Returns are correctly completed;
- They are filed on time;
- All backup records are retained for the appropriate period of time.

As well as the completion of your return we can assist with...

- Advice on your tax liabilities;
- Negotiating with the Collector if necessary;
- Identifying suitable tax planning opportunities;
- Completing all the necessary tax computations;
- Dealing with all correspondence from HMRC, taking the worry away

At SKN Chartered Accountants, we use software that is approved by HMRC to

- Fully complete your Tax Return
- Return the file online or by paper return
- Communicate with you information on what amounts are to be paid to HMRC and due dates
